

National Museum of *Industrial* History

Gingerbread Bridges & Skyscrapers Challenge

Get into the holiday spirit and exercise your creativity, problem solving, and critical thinking skills as you design your tasty constructions!

All entries will be displayed in the NMIH lobby from November 23rd through December 30th.

Each age category will have two winners (Best Design and Most Creative) and each will receive an exciting prize!

Winners will be announced at an Award Ceremony & Reception on November 29th 5-7pm.

Contest rules:

Participants can enter in one of 4 different age categories:

Elementary | Middle school | High School | Adult 18+

For group or classroom projects please limit to one entry per group/classroom

Structure must be a bridge or skyscraper

The structure may not be larger than 40" long X 11" wide

The entire structure must be edible

All entries must be accompanied by a completed entry form (see reverse)

Ginger Bridges/Skyscrapers will be due at the museum (602 East Second Street, Bethlehem, PA 18015) with completed entry form between 10am and 4pm

November 14th-18th

NMIH reserves the right to remove any entry which begins to look in disrepair.

All exhibitors agree to display their entry from November 23rd through December 30th

All entries must be picked up at the Museum between the hours of 10am and 4pm on January 2nd through 5th. All entries not retrieved by 4 pm January 5th will be disposed of by NMIH.
